------------------------	---

1. How to get help

ControlTier is a community effort supported by a [professional development and services company](#). When it comes to our tools, there is no dual licensing or tiered citizens, everything is [free and open source](#).

If you need help or want to provide feedback, you can either post to our [mailing lists](#) or [contact our professional services group](#). ControlTier Inc. has a wide range of [automation expertise](#) that goes beyond the ControlTier platform.
